Endoscopic Skull Base Surgery

Interdisciplinary approach between ENT and
neurosurgery

Endoscopy Workshop - Comprehensive Training Across Three Essential Modules

Join us for an intensive, one-week workshop covering Skull Base, Neuroendoscopy, and Spine Surgery. This program includes in-depth lectures, live procedural videos and hands-on sessions, designed to elevate your expertise in advanced endoscopic techniques.

Participants may choose to attend the full workshop or book individual modules according to their interests and needs.

Secure your spot today and take your skills to the next level in endoscopy!
